New luxurious condo with swimming pool, spa, playground, T2 + 1 office with terrace of 12m2

This new residence is the green lung of the Graça district. It opens and welcomes space and time for a more pleasant and serene life, is located on the highest hill of Lisbon, with all amenities, shops, tram, metro, bus. This is the garden whose existence the Graça district is rediscovering.

The initial concept was based on the principles of Biophilia, the art of inviting nature into our living spaces.

Perhaps no other neighborhood in Lisbon can so enchantingly blend the old and the contemporary as the Graça neighborhood. Nowadays, it still retains the traditional look of Lisbon, but it is also located in a fresh and creative environment, attracting an increasingly cosmopolitan audience.
