This beautiful, perfectly maintained condominium houses 2 buildings and 4 houses, as well as a large basement where the closed garages of each apartment and house are located. This apartment is sold with a large garage of 20m2 that can be equipped with a socket to charge your electric vehicle, if needed.

This apartment is ideal for a single person, a young couple or a family, who absolutely wants to have an apartment with an outdoor space, in fact it is not possible to live in Monte Estoril without being able to enjoy this light and have a good time on your own terrace.

This apartment offers you to enjoy a charming terrace that respects your privacy while having a pleasant view of a beautiful tree and hibiscus. Not to mention that it is in the final phase with beautiful quality materials, special care is given to the renovation, the layout of the space, the creation of a suite and many cupboards. A beautiful, functional kitchen, also of quality, allows you to imagine good times cooking or enjoying pleasant meals.

And importantly, thanks to the changes in windows, this property will benefit from high sound and thermal qualities, which will improve its future energy rating. Currently in D before the renovation work.

The installation of a reversible air conditioning system, hot and cold, has already been installed.
