The three houses on this property are appealing due to their typology, harmonious layout, and the many terraces they each offer.

The main house features three bedrooms, including one en-suite, two bathrooms, a spacious living room, a bright dining room, a kitchen with a dining area, a laundry room, and a storage room. A large rooftop terrace, accessible from the outside, offers an additional outdoor space to enjoy the views.

Next door is the first independent house spread over two levels. The ground floor consists of a kitchen, living room, bathroom, and two bedrooms. The upper floor, still to be renovated, has three bedrooms and a terrace. This floor could be converted into a separate apartment with a few adjustments. The third house has one bedroom and an open-plan living room/kitchen, perfect for a cosy space.

At the heart of these three houses is a large communal terrace, ideal for social gatherings, featuring a covered barbecue and dining area for outdoor meals.

This property stands out not only for its privileged location, peaceful environment, and proximity to the sea, but also for its strategic position: just 4 km from Fuseta, 12 km from Tavira and Olhão, and 25 km from Faro, with easy access to the highway just 8 km away.

The property also includes a landscaped garden at the entrance, as well as an outdoor area with a 20m<sup>2</sup> pool at the back of the house, perfect for enjoying family or friends' moments in nature and tranquility.

This is a unique opportunity to acquire a property with great potential, ideal for living or developing a rural tourism project.
